The Louisiana Baptist Foundation partners with iDonate to provide churches and ministries with an online giving platform that is

SIMPLE.    SECURE.    EFFECTIVE.

Having an online giving platform offers donors the chance to give faithfully in all circumstances.

Michael Hogeland  
*Pastor, Erwinville Baptist Church*

“Having an online platform for giving has blessed our small church. Younger families are giving more consistently, even with their busy life schedules. The increase of their continual obedience, like the rest of the church, has assisted us to meet our budget surplus.”
