

Estate Planning

Plan today to leave a lasting Kingdom impact.

Overview

You can thoughtfully direct how your assets are distributed, ensuring your family is cared for and your values are reflected in your estate planning. Through your will, trust, or beneficiary designation, you can support your church or other ministries and practice faithful stewardship beyond your lifetime.

Why should everyone have an estate plan?

Estate planning is important because:

- God calls us to be good stewards of all He has entrusted to us.
- You can provide for family and loved ones.
- You can support your church and ministries.
- You can reduce conflict among family members.
- You can appoint guardians for minor children.
- You can choose who carries out your wishes.
